Comments of VÄRE workshops

Storage facilities

- Is there enough storage spaces for the students and the faculty?
- Where teachers / researchers will store their books?
- Where do different kinds of project materials will be stored?

Learning spaces

- A number of computer labs?
- Where are the classrooms?
- Auditoriums or such lecture room?
- Facilities for messy work?
- There is no space for a big group, more than 100 people
- 24 / 7 principle for learning spaces
- Can we remove this wall if we will need a bigger lecture space?
- Printmaking? The role in the future?

Services

- Services close to the students and the teachers

Research spaces

- Researchers need quiet and separated rooms for writing etc.
 - Researchers rooms are not for working. They will use these for skype calls.
 - Where are the research group spaces?
 - Researchers + profs should be mixed in here too
 - Researcher rooms are ok but there should be some mixing on other floors students
 - Possibility for silent work
-

Comments of VÄRE workshops

Exhibition area and gallery	<ul style="list-style-type: none">• A bigger gallery space• An exhibition space is a showcase for the school! It requires min. 150-200m² and clean the walls for hanging• Exhibition wall space / exhibition furniture, electricity, walls erected, which may be painted and nailed
Interaction	<ul style="list-style-type: none">• To create a non hierarchic development for students & faculty they need to be close to each other > neighbours• The same year courses close to each other• The staff coffee room!• There should be more restaurants, and smaller ones
