- OUTCOME: VISUAL (DRAWING, PAINTING)
- USER: EVERYONE, ESPECIALLY ART, MEDIA

- Character: Light and airy studio space, suitable for producing art,
        needs additional storage space
- Seats: 96 pcs

- Furniture:
        - 70 pcs stackable small chair
                YK University chair, green/turquoise/blue upholstery
        - 20 pcs stackable high stool NEW
        - x pcs easily moveable folding table (suitable for drawing) NEW
        - sitting area
                3 pcs old drawers (without legs, with seat cushion)

        - 1 pc space divider NEW

- Väre-workshop comments
        - Be aware of overfurnishing studio spaces, ie filling them up with
          tables and chairs, must support various ways of working:
          big, small, installation experiments, performing arts etc.
        - Are project rooms only for "clean" work?
   What about painting etc.?
